## **Computer Comics Introduction**

Computer Comics was a series of comic books that I wrote and drew in 1970 through 1975, with a total of twelve issues. Each book had a story that was satirical humor about the Wayne State University Computing and Data Processing Center.

These connecting stories featured characters and events that resembled real people and real events, closely or distantly, at WSU. Although the stories were fictional, contemporary readers at WSU saw the resemblances to real events that had happened.

My motive in preparing these stories was to entertain the readers by showing how things can, and often do, go wrong.

Jim Simmons

## Computer Comics Key: comics name to WSU CDPC or other name (prepared 2011)

Russ Mopperman ...... Russ Wichterman, WSU employee

SCAT Association (Slaves, Chattels, and Typis WSU (SC&T?) (Secretarial, Clerical, and Technical) Association

See-more Wolfson ...... Seymour Wolfson, WSU Computer Science professor

Shirley Sharpe, supervisor of Keypunch

Sick-fifty ..... IBM 650 computer

Silly Liaison Committee Systems Liaison Committee
SLC Systems Liaison Committee
Sloperations Computer Operations

Soft-where-systems Software Systems Programming Sophia Loraine Loraine Raymer, office assistant SOW (Superiority of Women) committee WSU Status of Women committee

Spillover ...... Overflow newsletter

Stan Steins ...... Stan Stynes, WSU Engineering professor

Staring committee ...... WSU CDPC Steering committee

Steve Fuzzybinder ...... Steve Fasbinder, User Relations employee

Superfrank ...... New Director Frank Westervelt

Svenlany ...... Jim Mullany, Manager of ADS Programming

SWS ...... Software Systems Programming

Systematical Managers Systems Managers
Three-sickly machine IBM 360 computer

University's Secret Police ...... WSU Security Police

 Vera (Hot Pants) Kootchie
 Vera (K---?), User Relations employee

 Vice-President Gull-em
 WSU Vice-President George Gullen

Vice-President Pushman ...... WSU Executive Vice-President Edward Cushman

Virtue Machine ...... Virtual Machine

Wayne Rag, The ...... WSU Wayne Report newspaper

What's his name ...... US President Richard Nixon

You-deck ...... UDEC (Unitized Digital Electronic Computer)
